2.5.2 Reforms initiated on Continuous Internal Evaluation(CIE) system at the institutional level (250 words)

Assessment of performance is an integral part of teaching and learning process. As a part of sound educational strategy, the Institution adopts a Continuous Internal Evaluation (CIE) System to assess all aspects of a student's development on a continuous basis throughout the year. Some of the evaluation activities carried out are

- **Orientation on Evaluation Process:** Students are made aware of the evaluation process through the following initiatives:

  - The orientation programmes at the beginning of the semester
  - Teaching Plan contains evaluation procedures
  - Academic Calendar with Exam dates

Display in the College and Department Notice Board

- **Result Analysis & Review Meeting:**

  - Result Analysis is done by the class tutors after every CIA Test. Pass percentage of each course is calculated and the performances of the students is monitored by the coordinator and the necessary feedback is given to the concerned faculty members. Department-wise Review meetings are conducted and necessary feedback is given to improve students' performance.
- **Progress Reports & Parents Meetings:**
  - The institution is keen on monitoring the performance of the students and reports to the Parents. Progress Reports are sent by the tutors to the parents after each of the test. Parents/ Guardians are advised to note the performance of their wards and take remedial measure if needed. Whenever necessary, the tutor shall recommend the visit of the parent to the college for a discussion about the student.
- **Remedial Classes**
  Remedial classes are conducted for the slow learners, absentees and the students who participate in Sports, NSS activities and Placement Interviews. This practice helps struggling learners to update their subject knowledge and helps them to catch up with their peers.

- **External examinations**

  External examinations of three hours duration will be conducted at the end of every semester for all the theory papers and practical papers. Students should satisfy the eligibility criteria of 75% attendance in each semester to appear for University Examination. The students who have backlog subjects are permitted to write their papers in both the semester examinations.

- **Representation in the Board of Studies:**

  The senior faculty members appointed by the University act as the member of Board of Studies. At Every meeting they suggest evaluation reforms and discuss any discrepancy in the Passing Board meeting. At the time of central valuation, the examiners have the facilities to represent any out of syllabus questions.

- **Reappearing/Recounting/Revaluation:**

  The students are informed of the Reappearing/Recounting/Revaluation scheme available to them. Re-totalling is permitted for U.G. students who apply for it within the stipulated time on payment of prescribed fee. Revaluation is permitted only for the papers written in regular U.G. examinations and not for backlog examinations.

6.1.2 Does the institution have a Management Information System (MIS)?
Yes/No/Partial:

Yes. The college has developed software for entering attendance and internal test marks and also sending Internal Assessment marks, Attendance and important functions through SMS portal to students, parents and teachers.

6.2 Strategy Development and Deployment

6.2.1 Quality improvement strategies adopted by the institution for each of the following (with in 100 words each):

- **Curriculum Development:**

Being an affiliated college, the curriculum is prescribed by the affiliating university. However the senior staff members contribute their expertise in framing the syllabus by making relevant recommendations to the University after interacting with the stakeholders like employers and industry to ensure that the curriculum is updated as per the industry requirements. Each department develops and conducts skill based add-on courses to suit industry requirements which will provide an edge to our students over others.

- **Teaching and Learning:**

The institution is committed to a vision of quality education. In order to do so, the institution follows blended teaching methodology. The faculty uses ICT to enhance teaching, learning process and also follows participatory and innovative teaching practices. To enhance the skill base of the students, the institution regularly sends them to participate in seminars, fests, conferences, work-shops etc. This enables the students to obtain hands-on-learning. The students are given assignments that are intended to enrich their understanding of subject knowledge. Discussions on various topics and classroom seminars along with case study to further enhance the students' understanding of concepts.

- **Examination and Evaluation:**

The institution adheres to a system of continuous and comprehensive evaluation. The institution conducts two internal tests and one external final examination per semester. The progress of students is monitored by conducting internal tests, class assignments, home assignments etc., and the performance of students is analyzed and the same is communicated to their parents. Learning outcome is measured under this process of CIE.

- **Research and Development:**

Research and Development is integral part of the teaching learning process and one of the institutional goals, and the teachers are constantly encouraged to undertake research, publish papers on different topics. Faculty members attend seminars, conferences and workshops. They have published articles in national and international Journals. Faculty members have published books with and without ISBN number. Staff members have attended a number of faculty development programmes. Thus the institution attempts to encourage the development of staff and research activities.

- **Library, ICT and physical infrastructure / instrumentation:**

The library of our college is fully automated, well stocked and provides ample reading material like reference books, journals, magazines etc. It also provides free internet and Wi-Fi facility to students. Our teachers are using ICT for teaching to enhance the learning process of students. The college has well developed infrastructure to meet the requirements of the students.

- **Human Resource Management:**

Human resource is the most important factor in every organization. Our faculty members are encouraged to participate in seminars, work-shops and conferences by supporting them by granting registration fees and duty leave. The menial-staff is provided uniforms. They are also given an advance on salaries during festivals. The children of staff members can avail a reduction in the payment of fees. The members of the support staff are provided with necessary facilities to improve their quality of life.

- **Industry Interaction / Collaboration:**
