

# **ACTIVITIES**

In – House Events

## **KALAKRUTI**

Management is both – a science and an art. We need to hone the artistic skills of students as well. Kalakruti is an event organized by the BBA Department of Gogte College of Commerce for its students to bring out their artistic talents. It consists of various events like – Rangoli, Best out of Waste, Vegetable and fruit cutting, Singing, Dancing etc. Students display their best talents in these events for their overall development.
