

## **National Level Management Fest**

### **ACUMEN** - Potential Unleashed

Acumen is a International Level Management Fest where in colleges across the India and outside are invited to participate and indulge in a healthy antagonism and succeed.

It's a 2 day meticulous yet contented fest that brings out the management knowledge, skills and abilities of the students and participants.

The participants from various management colleges show their adroitness in various events. There is a cultural night organized during the event for enjoyment and recreation by the organizers.
