FEEDBACK REPORT FOR DESIGN AND REVIEW OF SYLLABUS FROM STAKEHOLDERS FOR THE YEAR 2023-24

principal . <principal@klsgcc.edu.in>

to registrar

Respected Sir/Madam

As a compliance to NAAC Criteria I, the institution has designed and collected structured feedback from 1) Students, 2) Teachers and 3) Alumni on curriculum/syllabus for the academic year 2023-24.

The following are suggestions from **Students, Teachers and Alumni**:

Enhance Industry Relevance: Update the syllabus content to better reflect industry trends and job market requirements. Consider collaborating with industry experts to integrate more practical, application-based topics.

Increase Advanced Topics Coverage: Expand the inclusion of modern and advanced concepts, as both students and teachers express a need for a syllabus that keeps pace with evolving academic and industry standards.

Strengthen Competitive Exam Preparation: Include more topics and resources that are relevant for competitive exams, as this will support students' career aspirations and readiness for further studies or job tests.

Incorporate Skill-Based Learning: Add content that builds employability skills, such as practical projects, internships, or workshops, to strengthen job readiness and entrepreneurial skills.

Create Feedback Channels for Continuous Improvement: Implement mechanisms for ongoing feedback from students, teachers, and alumni, allowing for real-time insights and periodic syllabus adjustments rather than waiting for annual reviews.

Please find attached the detailed feedback report for your reference.
