OBJECTIVE OF THE EVENT

- To create awareness about the importance of financial literacy in personal and professional life.
- To help participants understand basic financial concepts such as budgeting, saving, investment, and risk management.
- To promote responsible money management and financial planning among students and faculty.
- To educate participants about banking services, digital payments, and financial security.
- To develop awareness of investment avenues such as mutual funds, insurance, and retirement planning.
- To encourage informed financial decision-making and long-term wealth creation.

OUTCOME OF THE EVENT

Participants developed a clear understanding of basic financial concepts such as saving, budgeting, investment, and insurance.

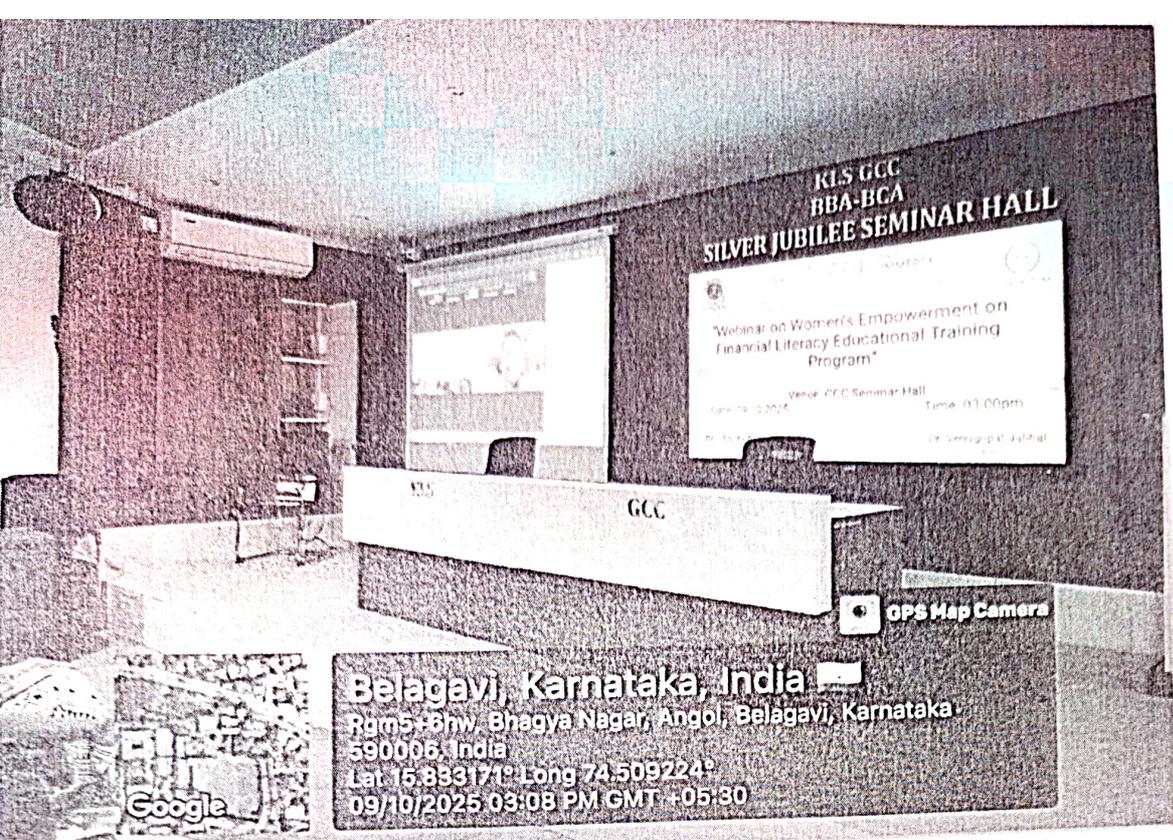

The webinar improved awareness of personal financial planning and responsible money management.

Attendees gained knowledge about banking systems, digital payments, and online financial security.

Participants became more aware of various investment options and their associated risks and returns.

The session helped participants understand the importance of financial discipline and long-term financial goals.

Awareness about financial frauds and preventive measures was significantly enhanced. The webinar encouraged informed and confident financial decision-making. Overall, the program successfully met its objectives and empowered participants with essential financial knowledge.
