Date of Event	7 th August 2026
Name of the Event Coordinator	Prof. Vaishali Shanbhag
Duration	1 Day
No. of Participants (Students + staff)	110
Objective of the event	Web Verse (Web Development and Game Development Competition for the students of BCA) was organized to provide students with a platform to showcase their creativity, technical skills, and innovative ideas in web and game development. The event aimed to encourage practical application of programming concepts and develop problem-solving and industry-oriented skills among the students. The event commenced with the welcome of the faculty and judge by Ms. Preeti. Code Zone In-charge Prof. Vaishali Shanbhag explained the objectives and guidelines of the competition. Code Zone Secretaries Mr. Irayya and Ms. Shivani, along with all the council members, worked hard for the successful completion of the event. A total of 35 teams presented their websites and games. GCC BCA alumnus Mr. Pradeep Kundekar judged the event and guided the students on industry requirements and possible improvements in their projects. Prizes were awarded to the winners and participation certificates were distributed to all participants by BCA Coordinator Dr. Asmita Deshpande.

Outcome of the event

The event provided students with an opportunity to apply their technical knowledge in practical projects and showcase their creativity and innovation. It enhanced their skills in web and game development, problem-solving, teamwork, and presentation. The guidance from the judge helped students understand industry expectations and identify areas for improvement in their projects.
